

"WE ARE FAMILY"

We are family, Esther, Mordecai and Me
 We are family, The Rabbi and The Cantor agree
 I'm not family, Why does everybody hate me?
 We are family, I got all my sisters with me

Everyone can see we're together
 As we walk on by
 I'm a bird of a different feather
 I won't tell no lie

All of the people around us they say,
 Can I still feel close?
 Just let me state for the record.
 We're giving love in a family dose

We are family, Get up everybody and sing
 We are family, Get up everybody and sing
 We are family, Get up everybody and sing
 We are family, Get up everybody and
 Get up everybody and SING!!!

“THE HUSTLE”

Ooo____
 Oh Mordecai and all my people!
 I heard you freakin' out over Haman's gallows
 What are you gonna do Esther?
 The kids are right. I must go to the king and try some straight talkin'.
 Right on Gal!
 But I'm so scared. If the King doesn't raise his... golden scepter...
 I will be put to death!!.
 Esther, up to now you've gotten by on your beauty.
 But now you're gonna need brains, courage and chutzpah.
 Right Esther, for the first time in your life, you're gonna havta...
 you're gonna havta..... you're gonna havta... DO THE HUSTLE

King I love you true	Do the hustle
Something to tell you	Do the hustle
King I am a Jew	Do the hustle
Now what will you do?	Do the hustle
Raise my scepter high	Do the hustle
What a menschy guy	Do the hustle
Just like Mordecai	Do the hustle

Ooo____

“JIVE TALKIN’” (Trash Talking)

We hate his trash talkin’
 That Haman’s a cow, Yeah
 Trash talkin’, We ain’t gonna bow
 Trash talkin’
 Are we understood? Yeah
 Haman’s trash talkin’, He’s really no good

Oh my Queen, the time has come
 For you to make your plea
 Queen Esther Please, go to the king
 You’re gonna win with your sincerity

Just try some straight talkin’
 We know you’ll come thru (yeah)
 Straight talkin’, tell King you’re a Jew
 The King will, believe what you say
 With just some straight talking, you’ll carry the day

Straight talking
 We’re telling our queen Yeah
 No balkin’, She’s stealin’ the scene
 We’re trustin’ Queen Esther
 To make her big play
 And with her straight talkin’, She’ll carry the day

“THAT’S THE WAY (I Like It)”

0-00-00 00-00-00 00-00-00 00-00-00 00-00-00 00-00-00

I was challenged, what am I to do?

King was challenged, What will he do?

That’s the way, uh huh, uh huh V Don’t like it Oy!!!!

"I WILL SURVIVE"

I think she is afraid she must be petrified

I'm thinking she can never live without me by her side

That girl will have to pay the price,

Vashti went and done ya wrong

The king stands strong

And so she'll have to move along

So pack your bags, and say goodbye

It breaks my heart to see her here, you know I think I'm gonna cry

She should have changed her stubborn mind,

She should have made a different stance

I think I know what's gonna happen, her bad luck is Esther's chance

Go oh now go, Walk out the door

Just turn around now, cause you're not welcome any more

Just like a man, he tries to hurt me with goodbye

Will I crumble? Do you think I'll lay down and die? So nu?

Oh no not I, I will survive

Oh as long as women keep the faith I know that I will thrive

Martha Stewart was no sap still they gave her a bum rap

But she survived I will survive

My sacrifice, it was well spent, maybe NEXT election,

We'll have a woman president

Men are the ones who try to rain on our parade

They've got some nerve and we've got Roe versus Wade

We will connive. We will survive

"MACHO MAN" (Menschy Man)

Body, wanna be somebody Body, hear my plea somebody

Body, Gonna chill somebody Body, gonna kill somebody

Body, talking 'bout a body Body, checkin' out whose body

Body, I'm in doubt whose body Body, check it out, whose body

Every king wants to be a bossy bossy man

Be showin' off his scepter any way he can

Here comes king a joggin', stop the slime kill him with a dagger, now's the time

You two cannot do that, he's my Esther's man

So put down your two daggers, I stopped your evil plan

Oy, oy, oy, oy, oy, oy Menschy Menschy man Mordecai is a menschy man

Menschy, Menschy man You've got to be a menscho Menschy, menschy man

Mordecai is a menschy man

Menschy, Menschy Man Mordecai is a Menschy Man

Menschy Menschy Man You've got to be a menscho Oy, oy, oy, oy, oy, oy

"TURN THE BEAT AROUND" (Make the Jews Bow Down)

Make the Jews bow down, Don't want no discussion

I speak for the crown, no room for discussion. Do you hear me?

Cross me it won't be pretty, you better pay attention to the nitty gritty

And when you hear me ask, for my back to be scratchin'

Then you know that Haman wants his satisfaction, wooh

Make the Jews bow down, Don't want no discussion

I speak for the crown, no room for discussion, Do you hear me?

“YMCA” (Why Her King A)

Kingy, are your out of your mind
 Have you gone blind,
 She's not one of your kind
 There's no way she'll make you happy
 Kingy, she is really a mess,
 She don't know to dress,

 There's no reason or rhyme
 Cause with her, you won't have a good time
 That's why we're askin' you Why her King A? (2x)
 We have everything for a King to enjoy
 While she's lookin' more like...oy!

And so we're asking you Why her King A? (2x)
 She can't keep your house clean
 She can't gook a good meal
 Get a life King, but mostly get real
 Kingy, she's too bad to be true
 And we think she's a Jew,
 She can't boogie or dance
 How could you mess up your one chance

 Kingy, are you listening to us,
 Put her on the next bus,
 She is really a freak
 Bet she don't last even one week

That's why we're asking you Why her King A (2x)
 We have everything for a King to enjoy
 While she's looking more like...Oy!

And so we're asking you Why her king A (2x)
 She can't keep your house clean
 She can't cook a good meal
 Get a life king but mostly get real
 Why her King A? That's why we're asking you Why her King A?
 We know all of the moves, and now there's nothing to say except
 Why her King AAAAAA, Why her?
